Re: Request of South Carolina Electric & Gas Company for Approval of Certain Revisions to Rate 3 (Municipal Power Service), Rate 10 (Small Construction Service), Rate 14 (Farm Service), Rate 21 (General Service Time-of-Use Demand), Rate 21A (Experimental Program - General Service Time-of-Use Demand), and Rate 23 (Industrial Power Service)
Docket No. 2017-241-E

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed and supports the request of South Carolina Electric & Gas Company ("SCE&G") to make certain revisions to its retail rate schedules Rate 3 (Municipal Power Service), Rate 10 (Small Construction Service), Rate 14 (Farm Service), Rate 21 (General Service Time-of-Use Demand), Rate 21A (Experimental Program - General Service Time-of-Use Demand), and Rate 23 (Industrial Power Service). The proposed revisions correct scrivener's errors or inadvertent omissions.

SCE&G's request will not require a determination of the entire rate structure or result in an increase in rates for customers.

Thank you for the opportunity to provide comments in this matter.

Sincerely,

Andrew M. Bateman
